

Continue towards a hedge **7** some 500 metres from the road and follow the left-hand side of it. Cross the railway line and go up the lane through the farm, across the dual carriageway and up the track opposite through the antiques centre.

At the end of the green lane **8**, cross the stile on the right and walk diagonally to the left aiming for the corner of the hedge opposite.

Cross the stile on the right hand side and then three more before you emerge on to Brown Moss.

Take the path almost opposite and head towards the centre of the Moss. You should emerge from the trees into a more open grassy area where there is an oak bench dated 2006 celebrating 30 years of Whitchurch Walkers. From here you follow the Shropshire Way (Route 22) back into the centre of Whitchurch.
